## **Rising water closing roads in District 4**

The Illinois Department of Transportation announces that because of flooding from recent heavy rains, several roads in District 4 have been closed.

The roads that have been closed are:

- Carman Street in Henderson County, between U.S. 34 and County Highway 750N
- The Oquawka Covered Bridge in Henderson County, just off Illinois 164 north of Gladstone
- Keithsburg Road in Mercer County, south of Illinois 17

Never attempt to drive across flooded roads. Just 12 inches of fast-moving flood water can carry away a small car. When flooded, turn around, don't drown.
