PRESS RELEASE – FLOODING UPDATE #13

As of 4/24/19 at 2:00 pm

Collinsville, Illinois – The Illinois Department of Transportation announces several current road closures which continue due to flooding in the area: Brussels Ferry; IL 3 Truck By-Pass (Water Street) in Chester and all lanes of IL 155 outside of Prairie du Rocher.

The following roads are **OPEN: IL 100 from IL 3 to Ski Lift Road in Grafton.** As the rivers recede the Department plans to conduct debris removal plus inspections of culverts and roadways which could be positioned to be reopened and allow safe passage to all. Please be alert for equipment and workers on these roadway segments so this effort can be completed in a timely and safe manner.

The Department will continue monitoring State roadways in the affected areas of Illinois. Based upon current hydrological forecasts, flooding has or may require closure of State Highways and Ferries along the Illinois and Mississippi Rivers. Over the next several days, we will provide updates, as warranted, when developments occur.

Traffic control devices and directional signage, including dynamic message boards, have been deployed to guide motorists safely around major closures. Travelers are advised to consider alternate routes or allow additional time to travel known flood prone areas. Regardless, all motorists are urged to be patient, reduce speed and exercise added caution throughout the Metro East region – as traffic patterns and travel times will likely be affected.

Since this is a very dynamic situation, please see the Department's website:

<http://www.idot.illinois.gov/home/Comm/emergency-road-closures> for the latest information on roadway closures throughout Illinois. Detailed information on the Metro East is also available at <http://apps.dot.illinois.gov/stl-traffic/>.
