CONSTRUCTION NEWS RELEASE

LANE REDUCTION

I-64

White County

The Illinois Department of Transportation would like to alert motorists traveling on Interstate 64 near the Indiana state line of upcoming LANE REDUCTIONS on the Wabash River bridge.

Beginning Tuesday, April 23, 2019, weather permitting, I-64 will be reduced to one lane in each direction between milepost 130 at Grayville and Indiana milepost 1. The lane closures are necessary to facilitate repair work, milling, and resurfacing of the bridge. Motorist should reduce speed, be alert to equipment and workers and use extreme caution when traveling through this area.

To avoid any delays motorists should seek an alternate route. Emergency vehicles will be allowed through the work zone as quickly as possible.
