Work on U.S. 67 at Industry begins April 29

INDUSTRY – The Illinois Department of Transportation announces that construction on U.S. 67 between Industry and Illinois 101 will begin Monday, April 29.

The work involves centerline joint repair and pavement patching, and will require daytime lane closures. All work is expected to be complete by June.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

For IDOT District 4 updates, follow us on Twitter at [@IDOTDistrict4](#) or view area construction details on IDOT's [traveler information map](#) on [GettingAroundIllinois.com](#).
