Work on I-55/74 begins Aug. 12

NORMAL — The Illinois Department of Transportation announces that construction on Interstate 55/74 will begin Monday, Aug. 12.

The work involves repairs to the bridges that carry I-55/74 over the Norfolk Southern Railroad and White Oak Road in Normal and will require lane closures. Two lanes in each direction will be open at all times during the project, which is expected to be complete by the end of October.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
