IL 127 from Conservation Road to Perry County Line in Washington County

Nashville – The Illinois Department of Transportation today announced IL 127 from south of Nashville at Conservation Road to the Perry County Line in Washington County will be intermittently restricted to one lane beginning Wednesday, August 21, 2019, weather permitting. This work will take place daily between the hours of 7:00 AM and 7:00 PM. Traffic in each direction will be maintained using flaggers. This work is necessary to complete pavement repairs and asphalt resurfacing and is expected to be completed by early November 2019.

Motorists should allow extra time for trips through this area. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

The contractor on this project is The Kilian Corporation of Mascoutah, Illinois.
