Golf Road resurfacing in Glenview, Morton Grove

CHICAGO – The Illinois Department of Transportation announced that a resurfacing of Golf Road (Illinois 58) between Lincoln Street and Waukegan Road (Illinois 43), in Glenview and Morton Grove, will require daily lane closures starting, weather permitting, Sept. 3.

The project consists of patching and resurfacing as well as gutter removal and replacement, detector loop replacement, sidewalk curb ramp improvements and pedestrian crossing signal improvements.

The work is expected to be complete by mid-November.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
