## Repairs to Illinois 31 in Crystal Lake

**CHICAGO** – The Illinois Department of Transportation announced that a patching and an asphalt overlay project on Illinois 31 between James R. Rakow Road and Northwest Highway (U.S. 14), in Crystal Lake, will require daytime lane closures starting, weather permitting, Monday, Aug. 26.

Traffic will be reduced to one lane in each direction during daytime hours. Access to businesses and residences will be maintained throughout the duration of the project.

The work is expected to be complete by the end of November.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
