## **Torrence Avenue bridge repairs over I-80/94**

**CHICAGO** – The Illinois Department of Transportation announced that deck sealing and joint repairs on the bridge carrying Torrence Avenue (U.S. 6/Illinois 83) over Interstate 80/94 (Kingery Expressway), in Lansing, will begin, weather permitting, Monday, Aug. 5.

The project will require daily lane closures on Torrence Avenue in each direction and nightly entrance and exit ramp closures on I-80/94. The work is expected to be complete by the end of September.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
