Resurfacing on California Avenue in Chicago

CHICAGO – The Illinois Department of Transportation announced that the resurfacing and installation of sidewalk ramps on California Avenue from north of 19th Street to south of Cermak Road, in Chicago, will require daily lane closures starting, weather permitting, Monday, Aug. 12.

The work is expected to be complete by mid-September.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
