Adams Street resurfacing begins Sept. 3

PEORIA — The Illinois Department of Transportation announces that construction on Southwest Adams Street near Interstate 474 begins Tuesday, Sept. 3.

The project involves resurfacing the bridge that carries Adams Street over railroad tracks and will require lane closures in each direction. Work is expected to be complete by mid-September.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
