Traffic pattern changes to Main Street in Creve Coeur

CREVE COEUR — The Illinois Department of Transportation announces that the traffic pattern on Main Street (Illinois 29) between Poplar Street and Margaret Drive in Creve Coeur changes today, Aug. 9.

The change is necessary for ongoing construction along Main Street and will require closure of the right northbound lane, the center turn lane and the left southbound lane. Left turns at Marquette Street and Thorncrest Avenue will not be permitted.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

For IDOT District 4 updates, follow us on Twitter at [@IDOTDistrict4](https://twitter.com/IDOTDistrict4) or view area construction details on IDOT's [traveler information map](https://www.gettingaroundillinois.com) on GettingAroundIllinois.com.
