Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work will begin on Monday, August 26, 2019, on IL Route 38 west of Rochelle. Phoenix Corporation of the Quad Cities will be removing and replacing the box culvert under IL 38, located 0.2 miles east of Center Road.

Traffic will be reduced to one lane utilizing flaggers day and night for the expected three days required to complete the removal and replacement.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
