Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work will begin on Tuesday, August 27, 2019, on the US 20/IL 84 bridge over the Galena River in Galena. Interstate Maintenance, Inc. will be completing the yearly bridge washing of the structural steel.

Traffic across the bridge will be reduced to one lane utilizing flaggers for the expected one day required to complete the washing.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
