Construction on U.S. 34 begins Aug. 26 *Pavement work at Gulfport in Henderson County*

GULFPORT — The Illinois Department of Transportation announces that lane closures on U.S. 34 between the Mississippi River and the Gulfport interchange begin Monday, Aug. 26.

The closures are necessary for pavement patching and resurfacing along U.S. 34 as well as on Mellinger Avenue in Gulfport. Traffic on U.S. 34 will be controlled by temporary signals and on the ramps and Mellinger Avenue by flaggers.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
