Halsted Street in Phoenix closed for crossing repairs

CHICAGO – The Illinois Department of Transportation announced that repairs to the CSX Railroad crossing on Halsted Street (Illinois 1), just north of 155th Street, in Phoenix, will begin, weather permitting, Monday, Dec. 9.

Starting at 9 a.m., Halsted Street will be closed between Sibley Avenue (Illinois 83) and 159th Street (U.S. 6).

Local traffic only will be allowed north of the work zone between Sibley Avenue and 154th Street as well as south of the work zone between 155th Street and 159th Street. A detour will direct traffic to Sibley Avenue, Wood Street and 159th Street.

The work is expected to be complete by 3 p.m. on Dec. 21.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
