Lane closure for southbound I-155 *Repairs needed to bridge near Hartsburg*

HARTSBURG – The Illinois Department of Transportation announces that the right lane of southbound Interstate 155 is closed about 3 miles south of U.S. 136 in Logan County.

The closure is necessary to repair an expansion joint on the bridge that carries I-155 over a railroad near Hartsburg and is expected to last at least a week.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
