## Adams Street lane closures begin Dec. 9

**PEORIA** – The Illinois Department of Transportation announces that lane closures on Adams Street (Illinois 29) at the McClugage Bridge (War Memorial Drive/U.S. 150) in Peoria begin Monday, Dec. 9.

The left lane in each direction will be closed for work in the median to prepare for construction of the U.S. 150 new bridge over Adams Street. This configuration will last for several weeks, and no detour will be posted.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
