Work on Illinois 29 in Creve Coeur resumes Dec. 12

CREVE COEUR – The Illinois Department of Transportation announces that construction will resume Dec. 12 on northbound Main Street (Illinois 29/U.S. 24) between Poplar Street and Margaret Drive in Creve Coeur.

The work involves resurfacing, storm sewer construction, and replacement of sidewalks, curbs and gutters and will require lane closures. The project is expected to be complete in July 2020.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
