Work to improve Illinois 125 begins March 1

PLEASANT PLAINS — The Illinois Department of Transportation announces that construction along Illinois 125 east of Pleasant Plains will begin March 1.

The project involves widening and resurfacing Illinois 125, as well as replacing gutters, culverts and guardrails. Work is expected to last through summer 2021.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
