Main Street in E. Peoria down to one lane at Ravine

EAST PEORIA — The Illinois Department of Transportation announces that the right lane of Main Street at Ravine Street is closed because of a water malfunction.

The issue began Friday night, and the lane was closed to contain the water on the pavement.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
