## **Lane reductions on LaGrange Road over Cal Sag Channel**

**CHICAGO** – The Illinois Department of Transportation announced that repairs and the installation of a bridge deck overlay on the bridge carrying LaGrange Road (U.S. 45) over the Calumet Sage Channel, in Palos Township, will require lanes to be reduced to one lane in each direction starting, weather permitting, Monday, July 8.

The work is expected to be complete by the end of September.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
