Dundee Road at Grove Avenue closed for weekend

CHICAGO – The Illinois Department of Transportation announced that as part of an ongoing widening and resurfacing project on Dundee Road (Illinois 68) Dundee Road, the installation of a pipe culvert will require Dundee Road to be closed just east of the intersection of Dundee Road and Grove Avenue, from 6 a.m. on Saturday, July 13 until 5 a.m. on Monday, July 15.

A detour will be posted, directing motorists to avoid the work zone by using Barrington Road, Palatine Road and Ela Road.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
