95th Street closed at Metra Rock Island railroad crossing

CHICAGO – The Illinois Department of Transportation announced that repairs to the at-grade Metra railroad crossing on the Rock Island District tracks near the 95th Street Station and 95th Street Park-n-Ride, in Chicago, will require a full closure of 95th Street starting, weather permitting, at 9 a.m. on Wednesday, July 17.

A detour will be posted, directing motorists around the closure using Ashland Avenue, 87th Street and Western Avenue.

The work is expected to be complete, weather permitting, by 7 a.m. Saturday, July 27.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to detour signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
