## **Lane reductions on Buckley Road in Libertyville**

**CHICAGO** – The Illinois Department of Transportation announced that road repairs and new pavement markings on Buckley road (Illinois 137) from O’Plaine Road to Illinois 83, in Libertyville, will require intermittent lane reductions starting at O’Plaine Road and proceeding west, beginning, weather permitting, on Monday, July 15.

The work is expected to be complete by the end of August.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
