Dempster Street resurfacing in Morton Grove and Skokie

CHICAGO – The Illinois Department of Transportation announced that patching, resurfacing, curb and gutter replacement and ADA ramp improvements on Dempster Street (Illinois 58) between Waukegan Road (Illinois 43) in Morton Grove and Skokie Boulevard (U.S. 41) in Skokie will require daily, intermittent lane closures starting, weather permitting, July 15.

In order to complete the project, lanes on Dempster Street will be reduced in work zones.

The work is expected to be complete by June 2020.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
