Collinsville – The Illinois Department of Transportation (IDOT) announced that St. Louis Road (Old US 40) between Collinsville Road and National Terrace will be intermittently restricted to one lane in each direction during daylight hours beginning on Wednesday, July 17, 2019, weather permitting. This work is necessary to construct a new bituminous surface treatment and is expected to be completed by mid-August.

Drivers are urged to reduce speed, be alert for changing conditions, obey all construction signage, and refrain from using mobile devices while approaching and traveling through the work zone.

The contractor on this project is Micro-Surfacing Contractors, Inc. of St. Louis, Missouri.
