## PRESS RELEASE

### *IL 203, Bend Rd to Collinsville Rd., St. Clair County*

**East St. Louis, Illinois** – The Illinois Department of Transportation announces the intermittent daytime and overnight closure of lanes on IL 203 between Bend Rd and Collinsville Rd. in both directions from Monday July 8<sup>th</sup> through Friday July 12<sup>th</sup>, 2019. The closure will be done to perform patching work. The East St, Louis Maintenance Yard will make the needed repairs. Full access will be restored as soon as possible. At least one lane will be open in both directions at all times.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
