Illinois 29 ramp to U.S. 150 to close July 15 *Routine bridge inspection expected to last one day*

EAST PEORIA — The Illinois Department of Transportation announces that the ramp from northbound Illinois 29 to eastbound U.S. 150 will close at 8:30 a.m. July 15.

The closure is necessary for crews to perform routine bridge inspections, which are expected to be complete by 3:30 p.m.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
