Work on Illinois 78/116 in Farmington begins July 22

FARMINGTON — The Illinois Department of Transportation announces that construction along Illinois 78/116 between Main Street and Lightfoot Road will begin Monday, July 22.

The work involves road resurfacing, replacing the sidewalks, curbs and gutters, and installation of ornamental lighting. Lane closures will be necessary during the project, which is expected to be complete in December.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
