## **Work on Illinois 8, Business 24 begins Aug. 1**

**WASHINGTON** — The Illinois Department of Transportation announces that construction along Illinois 8 and U.S. 24 Business from Legion Road east to the Washington city limits begins Thursday, Aug. 1.

The work involves pavement patching and will require daytime lane closures, which are expected to last about two weeks.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
