Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on US 20 / IL 84 from Mt. Hope Road to Tippet Road, southeast of Galena, will begin on Monday, July 8, 2019. Civil Constructors, Inc. will be completing the \$2,803,709 milling and resurfacing project.

Daily lane closures with flaggers will be utilized. Drivers should be prepared to stop for flaggers who will be directing traffic through the work operations. Motorists can expect delays and should allow extra time for trips through this area. No in-roadway work will take place after 3:00 p.m. Friday until 6:00 a.m. Monday. Work is expected to be completed by September 27, 2019.

To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
