## **Restrictions on EB McClugage begin July 8**

*Inspection to last two weeks*

**PEORIA** — The Illinois Department of Transportation announces that lane restrictions on the Old McClugage Bridge; which carries eastbound U.S. 150 over the Illinois River, will begin Monday, July 8.

The restrictions are needed to perform a routine inspection of the bridge and are expected to last about two weeks, Monday through Thursday,

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
