Lane closure on U.S. 150 overnight tonight *Bridge repairs expected to be complete by Friday afternoon*

EAST PEORIA — The Illinois Department of Transportation announces that a lane closure on eastbound U.S. 150 east of the McClugage Bridge will begin at 1 a.m. July 26.

The closure is necessary for bridge repairs in the U.S. 150/U.S.24/Illinois 116 work zone and is expected to last about 12 hours.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
