Lane closure on northbound Bishop Ford

CHICAGO – The Illinois Department of Transportation announced that an emergency sewer repair will require a temporary lane closure on the northbound Bishop Ford Freeway (Interstate 94) between Sibley Boulevard and Dolton Avenue, in Calumet City and Dolton, beginning, weather permitting, Thursday, June 20.

Starting at 7 p.m., the left lane will be closed, reopening by 5 a.m. Friday. The lane will be closed again at 10 a.m. to allow crews to finish the repair. The lane will reopen by 2 p.m. Friday.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
