## **Work on Illinois 49 in Casey begins July 1**

**CASEY** — The Illinois Department of Transportation announces that construction on Illinois 49 between Tyler Avenue and the Interstate 70 interchange in Casey will begin Monday, July 1.

The project involves pavement patching and resurfacing as well as improvements to pedestrian accommodations. Work is expected to be complete by the end of September.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
