## **Lane Closures – IL 16 in Jersey County**

**COLLINSVILLE** – The Illinois Department of Transportation (IDOT) announced that both lanes of IL 16 from Grange Hall Rd. to the Macoupin County Line in Jersey County will be intermittently restricted during daytime hours only on Tuesday, June 18, 2019, weather permitting.

Drivers are urged to reduce speed, be alert for changing conditions, obey all signage, and refrain from using mobile devices while approaching and traveling through the work zone.

These lane closures are necessary for investigations of the pavement. Ve’Niecey Pearman-Green is the Geotechnical Engineer for IDOT on this project. If you have any questions concerning this project, you may contact her at 618/346-3313.
