## **Illinois 106 to close at 11:30 a.m.** *Temporary closure needed for sandbagging at Florence*

**FLORENCE** – The Illinois Department of Transportation announces that Illinois 106 between its intersection with Illinois 100 in Scott County and Detroit will close to through traffic at 11:30 a.m. today, June 3.

The closure is necessary for emergency sandbagging operations on the levee near the Illinois 106 bridge at Florence and is expected to last until 5 p.m. Through traffic can use Illinois 100 in Scott County or U.S. 54/Illinois 107 to access Interstate 72.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
