Lane closure for Illinois 26 north of Spring Bay

SPRING BAY — The Illinois Department of Transportation announces that the southbound lane of Illinois 26 between Zimmerman Road and Vesta Drive north of Spring Bay is closed.

The closure is necessary because a failing culvert in that area may lead to collapse of the road. Two-way traffic will be maintained with temporary signals until repairs are complete.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
