PRESS RELEASE – FLOODING UPDATE #29

As of 6/6/19 at 1:30 pm

Collinsville– The Illinois Department of Transportation announces this new closure due to flooding:

- **Eldred Road from IL 108 to IL 16/100, Greene County**

In addition, these road and facility closures continue due to the persistent flooding:

- **IL 100 from US 67 in Alton to IL 16 in Jersey County,**
- **US 67 at Henry Street to West 3rd Street in Alton,**
- **IL 3, in Chester, Truck By-Pass (Water Street),**
- **IL 155 outside of Prairie du Rocher,**
- **Brussels Ferry,**
- **Kaskaskia Street in Chester,**
- **IL 100 in Calhoun County from junction of IL16/100 in Jersey County to Pearl in Pike County,**
- **IL 96 from County Highway 2 to Pike County Line (some roads open to local traffic),**
- **IL 3, in Randolph County, at Mary's River to the Jackson County line,**
- **IL 108 from Eldred to IL 100 - including the Kampsville Ferry,**
- **the Chester Bridge closed by MoDOT (MO 51 & IL 150),**
- **the Levee Gates, 2 miles north of IL 143 at East Broadway in East Alton at Wood River Creek, closing off traffic in both directions,**
- **IL 16/100 between Eldred and Hardin including the Joe Page Bridge,**
- **IL 96, Kampsville, from IL 100 to Jefferson Avenue,**
- **IL 3, in Grafton, from Grafton Hills Road to IL 100, and**
- **IL 3, in Randolph County, at Nine Mile Creek near Evansville**

The Department will continue monitoring State roadways in the affected areas of Illinois. Based upon current hydrological forecasts, flooding has or may require closure of State Highways and Ferries along the Illinois and Mississippi Rivers. Over the next several days, we will provide updates, as warranted, when developments occur.

Traffic control devices and directional signage, including dynamic message boards, have been deployed to guide motorists safely around major closures. Travelers are advised to consider alternate routes or allow additional time to travel known flood prone areas. Regardless, all motorists are urged to be patient, reduce speed and exercise added caution throughout the Metro East region – as traffic patterns and travel times will likely be affected.

Since this is a very dynamic situation, please see the Department's website:

<http://www.idot.illinois.gov/home/Comm/emergency-road-closures> for the latest information on roadway closures throughout Illinois. Detailed information on the Metro East is also available at <http://apps.dot.illinois.gov/stl-traffic/>.
