Overnight Kennedy lane closures

CHICAGO – The Illinois Department of Transportation announced that the cleaning and painting of three railroad bridges over the Kennedy Expressway (Interstate 90) between Milwaukee Avenue and Cicero Avenue, in Chicago, will require intermittent, overnight lane closures beginning, weather permitting, April 1.

The closures will be in place between 9 p.m. and 5 a.m. while the work is being done.

The project is expected to be complete by the end of October.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
