## Lane closures on Wolf Road in Des Plaines

**CHICAGO** – The Illinois Department of Transportation announced that the resurfacing of Wolf Road at Weller’s Ditch, in Des Plaines, will require permanent lane closures in each direction beginning, weather permitting, Thursday, March 28

In order to complete the work, Wolf Road will be reduced to one lane in each direction in the work zone. The project consists of patching, installing new pedestrian ramps and all collateral work necessary to complete the improvements.

The work is expected to be complete by the end of May.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
