Dixie Highway culvert repairs

CHICAGO – The Illinois Department of Transportation announced that a project to rebuild a culvert spanning Dixie Highway will begin, weather permitting, April 22.

The project will require closing Dixie Highway between 171st Street and 175th Street, in Hazel Crest and East Hazel Crest. A detour will direct traffic to 171st Street, Wood Street/Governors Highway and 175th Street. Motorists will continue to have access to businesses and parking along Cheker Square via Governors Highway.

The work is expected to be complete by early July.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
