Lane closures on Belvidere Road in Lake County

CHICAGO – The Illinois Department of Transportation announced that bridge repairs and a resurfacing on Belvidere Road between the Canadian Pacific Railroad bridge and Knight Avenue, through Gurnee, Park City and Waukegan, will begin, weather permitting, April 1.

In order to complete the project, one lane in each direction will be closed and a 45 mph speed limit enforced through the work zone.

The work is expected to be complete in November.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
