La Grange Road resurfacing in La Grange Park, Countryside

CHICAGO – The Illinois Department of Transportation announced that the resurfacing of La Grange Road (U.S. 12/20/45) between 31st Street, in La Grange Park, and Joliet Road, in Countryside, will require daytime lane closures beginning, weather permitting, April 8.

In order to complete the work, traffic will be reduced to one lane in each direction, with left turns being maintained between the hours of 8:30 a.m. and 4:30 p.m. All lanes will remain open at all other times.

The project is expected to be complete by the end of September

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
