I-70 Lane Closures west of Pocahontas

The Illinois Department of Transportation today announced there will be periodic daytime lane closures in both directions on I-70, 4 miles west of Pocahontas, beginning Monday, March 18, 2019 between the hours of 6:00 AM and 3:00 PM, weather permitting. These closures are necessary to complete the final cleanup work related to the bridge deck replacement of the Baumann Road structure over I-70. This work is expected to be completed by mid-April 2019.

Please stay alert and use extra caution when approaching and driving through the work zone.

The Contractor on this project is The Kilian Corporation of Mascoutah, Illinois.
