### *ADD LANE CONSTRUCTION*

#### *I-57*

#### *FRANKLIN and WILLIAMSON COUNTIES*

The Illinois Department of Transportation would like to alert motorists of an upcoming Road Construction Project on I-57 from Mile Post 57 to Mile Post 65 in Franklin and Williamson Counties beginning April 1, 2019, weather permitting.

The project will expand 4.4 miles of I-57 to add an additional lane in each direction. The proposed work includes earthwork, HMA pavement, HMA resurfacing, erosion control, traffic control and protection, guardrail, seeding, underdrains, pavement markings, signage and rumble strips.

Traffic will be reduced to one lane in each direction during Night Construction Operations Only.

Motorists should use extreme caution through this work zone and be aware of speed reductions and traffic control devices.
