Overpass painting on I-474 begins April 1

EAST PEORIA — The Illinois Department of Transportation announces that painting of the bridge that carries Cole Street over eastbound Interstate 474 will begin, Monday, April 1.

The painting will require lane closures, beginning with the right lane, and as work progresses traffic will be shifted to the adjacent lane. The Springfield Road overpass all will be painted as part of this project, which is expected to be completed by the end of May.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
