## Bridge repairs along Illinois 40 begin March 25

**EAST PEORIA** – The Illinois Department of Transportation announces that repairs to bridges along Illinois 40 will begin Monday, March 25.

The work is on the three following bridges:

- Illinois 40 over Camp Street and Farm Creek;
- Illinois 40 over Washington Street; and
- Washington Street over Farm Creek.

Ramp closures are expected as part of this project and marked detours will be in place. Additionally, there will be repairs to the median on Washington Street just south of River Road, which will require lane closures. More information will be announced ahead of when any closures are expected.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
