PRESS RELEASE – FLOODING UPDATE

As of 3/22/19 at 1:00 pm

Collinsville, Illinois – The Illinois Department of Transportation announces additional road closures due to flooding within District 8: **BRUSSELS FERRY** (Due to Calhoun County Highway 1 being flooded); **IL 100 from IL 3 to Ski Lift Road** in Grafton; **KASKASKIA STREET** and **IL 3 TRUCK BYPASS (WATER STREET)** in Chester.

The Department will continue monitoring State roadways in the affected areas of Illinois. Flooding has, or based upon current hydrological forecasts will, require closure of State Highways and Ferries along the Illinois and Mississippi Rivers. Over the next several days, we will provide updates, as warranted, when developments occur.

Traffic control devices and directional signage, including dynamic message boards, have been deployed to guide motorists safely around major closures. Travelers are advised to consider alternate routes or allow additional time to travel known flood prone areas. Regardless, all motorists are urged to be patient, reduce speed and exercise added caution throughout the Metro East region – as traffic patterns and travel times will likely be affected.

Since this is a very dynamic situation, please see the Department's website: <http://www.idot.illinois.gov/home/Comm/emergency-road-closures> for the latest information on roadway closures throughout Illinois. Detailed information on the Metro East is also available at <http://apps.dot.illinois.gov/stl-traffic/>. For IDOT District 8 updates on Twitter, please follow us at [@IDOTDistrict8](https://twitter.com/IDOTDistrict8).
